

We can do this!

We can prevent Arc Flash!

[We can Save Lives!](#)

Save Lives &

Save Money,

replacing the **BAND AID**
Power Quality Solutions
with ***Phaseback VSGR***,
achieve **Fundamental**
economy with lower
line losses, reduced
ground current, & high
voltage conditions cor-
rected to eliminate
damage to equipment.

We can do this!

We must do this!

The cost is recovered in
a short amount of time

from energy savings & perhaps from equipment not needed, such
as harmonic filters, reactors, snubber circuits, TVSS, SPDs, light-
ning arresters, HRG, isolation transformers, & neutral conductor.

Take our challenge! Save Lives and Save Money!
